## DANCING ON THE CLOUDS MACHINE

- Good for one big blast or 2 smaller ones
- Most people will use it for their first dance.

**\$350**

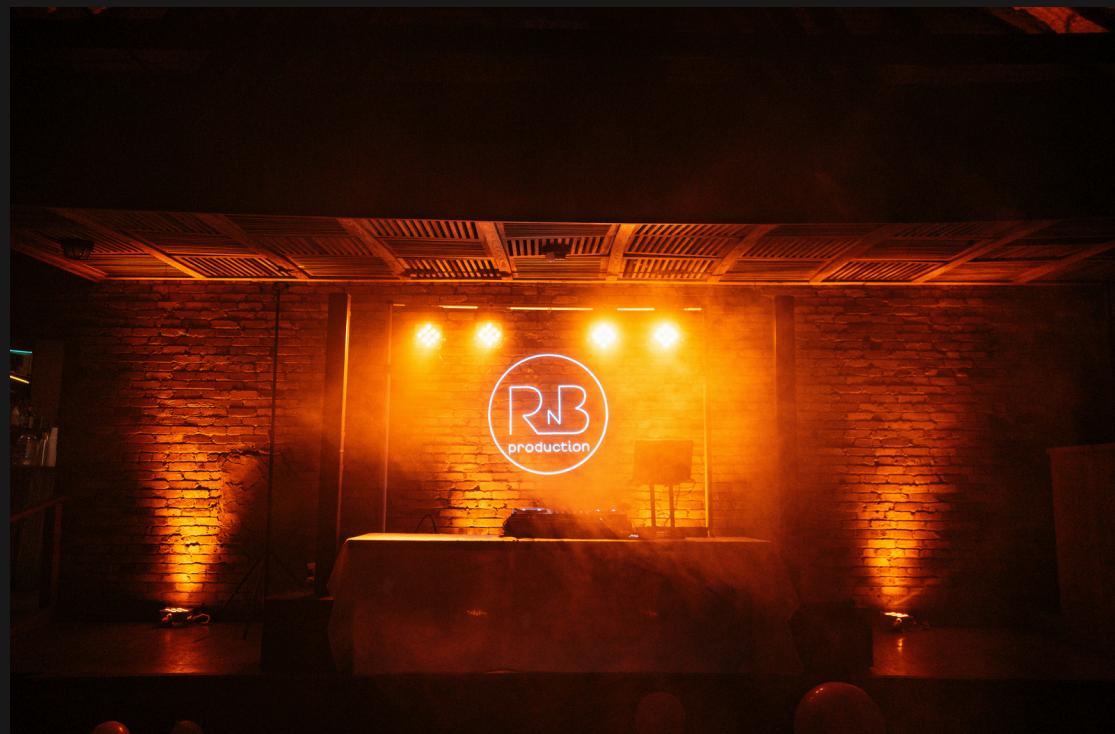

## ADDITIONAL SPEAKERS

- We often recommend additional fill speakers half way through a venue to carry the sound.
- Similarly, if our venue is wide, we recommend the main speaker to face middle, while smaller side fills cover the wider portions of the room.

**\$200**
